

Dear Hotel guest,

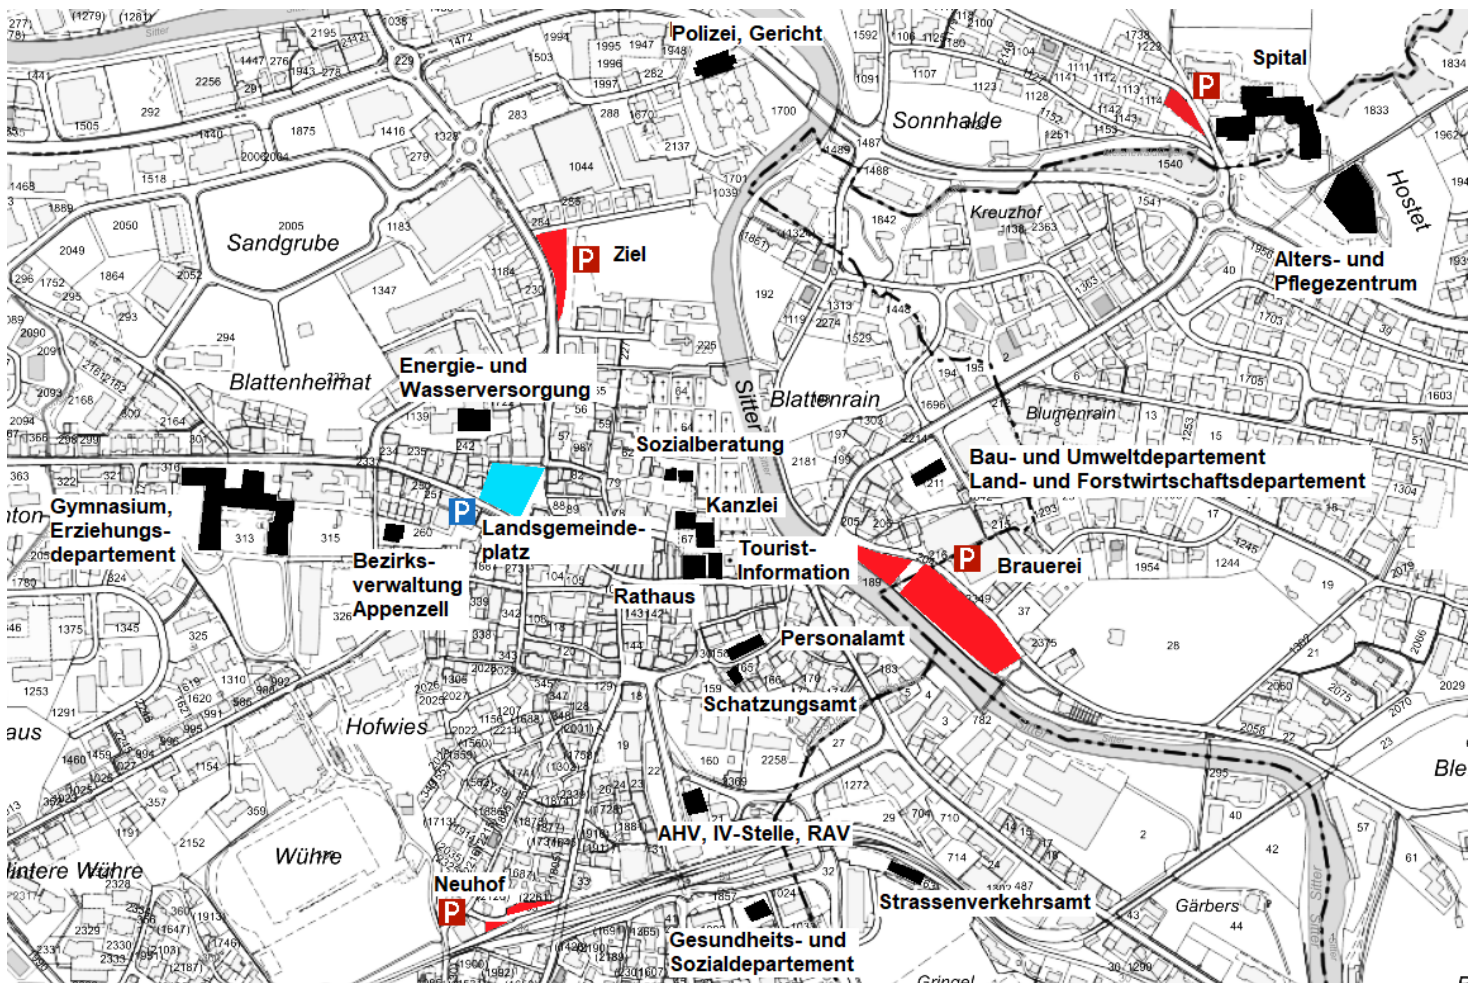

**Unfortunately we presently have no hotel parking spaces.**

Here follows a plan with the parking possibilities in Appenzell:

The carparks, marked red: Ziel, Brauerei, Neuhof and Spital are subject to cost. The parking ticket can be paid on the spot at the ticket machine (CHF cash/local currency only) or cashless by mobile Apps such as Twint, Parkingpay and EasyPark (also for credit cards).

The parking spaces marked blue on the Landsgemeindeplatz, as well as various other places in the town are blue zone parking, which means you can set the special blue zone parking card to the present time and remain parked there for another hour after your arrival time.

Between 7pm and 8am and Sundays can be parked in both these zones without any restrictions.

- P** Red zone: Parking with charge: parking time limitless (cash, Twint, Parkingpay, EasyPark)
- P** Blue zone: parking time max. 1 hour after arrival time set on the parking card
